Welcome to the 2015 Summer Camp Guide!

With warmer weather just around the corner, it's time to start thinking about summer camp!

Whether you're mapping out your kids' summer months in advance or looking for a last-minute camp to fill up a week, Howard County Recreation & Parks' 2015 Camp Guide has something for everyone. We've provided you with a handy calendar (page 73), to help you and your camper(s) decide what camps best meet their interests and your family's schedule.

In this year's guide you'll find a camp for every taste. From cooking, crafts, fine arts and culture to dance, music, theater arts and science/technology, our camps introduce new skills without the pressure of homework or grades. Enriching camps keep the mind sharp when school is out and science has never been as fun as when campers launch their own rockets.

If your camper enjoys exploring the great outdoors and adventures to unique locales, flip to page 6 where you'll find our Adventure, Nature and Outdoors section. Back by popular demand are our archery camps, which have been expanded this year to include more sessions. Again this summer, we're offering several camps that feature day trips to places outside of Howard County.

Check out page 48 for sport camps, where expert instructors teach campers the basics of different sports in a non-competitive setting with diverse activities to keep each day fresh and exciting. For the more experienced athletes, we offer sport-specific camps to help sharpen skills and get one ready for the upcoming scholastic sports season.

For those who like to get their summer camp schedule done early, a number of our camps offer an Early Bird special. Register by March 8 to receive 10% off the listed price. Many of our camps fill up quickly, so don't delay, register today!

We know there are many options from which you can choose this summer, but we hope Howard County Recreation & Parks' wide selection helps make your planning easier. Wishing you and your family a safe, fun and memorable summer!

Victorian Dreams Living History Half-Day Camp

6-12 yrs / 1 wk starting Aug 10 / \$165

Have you ever wondered what it was like to be a young girl in the 1800s? Get ready to time travel back to the 1850s and dress in camp-adapted pinafores as you make authentic crafts, play games and sports of the time period, and learn Victorian dancing. Enjoy your choice of a selection of caffeine-free and herbal teas each morning, learn the social graces of the Victorian era, and plan your graduation ceremony at the Patapsco Female Institute (weather-permitting), a once nationally renowned girl's school in Ellicott Mills (now known as Ellicott City). You even get the chance to read copies of a diary and some letters from students who actually attended the Institute! Make your own journal each day with a calligraphy pen as a keepsake from the camp. Bring a nut-free snack and reusable water bottle each day.

Use a slate to write, participate in recitations and a spelling bee, and enjoy an old-fashioned recess – all in period clothing! This camp is the real deal. Meet a person who attended a one-room schoolhouse. Try your hands at some of the chores that were performed before and after school. Experience school as Laura Ingalls Wilder, Tom Sawyer and Huck Finn did (had he gone to class)! This is the kind of "summer school" you can love. Bring a snack (no nut products) and reusable water bottle.

- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Signs Reported by the Athlete

1. Seek medical attention right away.

Health care professionals are able to decide how serious the concussion is and when it is safe to return to play.

2. Keep your child out of play until medically cleared.

Concussions take time to heal. Don't let your child return to play until a health care professional says it's ok. Children who return to play too soon, while the brain is still healing, risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. Inform all coaches about any recent concussions.

Coaches should know if your child has had a recent concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them.

4. Help your child return to sports safely after a concussion.

As your child's symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to activities after a concussion may need to

- Take rest breaks as needed
- Spend fewer hours at activities
- If in doubt, sit it out!

Therapeutic Recreation & Inclusion Services

The Howard County Department of Recreation & Parks offers programming for individuals with disabilities in a variety of categories. The Department encourages individuals with disabilities to register for general recreation programs. The Department will make reasonable accommodations to facilitate the participation of an individual with a disability in any of our programs. The Therapeutic Recreation (TR) section follows a procedure for providing these accommodations. It uses the Community Recreation Assessment and Accommodation Plan to provide Recreation & Parks staff with an understanding of the accommodation being made as well as disability awareness information.

- The request for accommodations takes place at the time of registration. If registering by phone or in person, you are asked if you or your family member require special accommodations. This is a "yes" or "no" response. If you choose to provide additional information, the staff member will note this in the online notes that are visible to staff.
- During the online registration you will come to an area that offers the following custom question: "Does the participant have an allergy, disability or any special accommodation request that we need to know about?" If you are requesting an accommodation, the answer should be "yes" and if not, "no." You will also be given an optional space to expand on your request in the notes section. This is viewed only by staff.
- For a fax registration form, you will notice a box for accommodations on the left. Check the appropriate areas and fax to 410-313-4660. A copy of the registration form or e-mail registration alert is forwarded to the Therapeutic Recreation Manager and Coordinator.
- For transportation with HT Ride Paratransit Certification contact: 1-800-270-9553.

Inclusion/Accommodations may include but are not limited to the following:

- a) training provided for program and inclusion support staff;
- b) an increase (not guaranteed) in staff/participant ratio (two weeks advance notice);
- c) Sign Language interpretation for the deaf and hard of hearing;
- d) adaptive activity equipment and/or supplies;
- e) assistance in the provision of health services that do not require medical training; and
- f) financial assistance.

Accessibility Inclusion/Accommodations services don't include;

- a) providing a separate area or alternate activities for a significant portion (more than 25%) of the scheduled structured program;
- b) exemptions of program rules and regulations regardless of ability or disability for the safety of all program participants and staff;
- c) guarantee of specific staff for programs;
- d) individualized therapy within a program, or
- e) purchasing of personal custom devices.

Belmont Manor & Historic Park

On June 21, 2012, Howard County Government purchased Belmont to ensure the stewardship of this beautiful site for the residents of Howard County. This historic colonial manor house built in 1738 is one of Howard County's best kept secrets. Located on 68 acres in Elkridge, Belmont is a popular venue for executive retreats, wedding, luncheons, reunions, corporate trainings, company picnics, fundraisers and special events. Groups may rent specific rooms in the Manor House or choose among several packages that can include the house, formal gardens, picnic areas and grounds. Tours may be scheduled.

Blandair Farm

Blandair takes its name from Theodorick Bland, a colorful figure in early Maryland politics. He served as Chancellor of Maryland from 1824 until his death in 1846. While the property was farmed as early as 1798, most of the existing buildings date from the mid-19th century, and include a granary, a springhouse, some tenant houses and the brick main house. Howard County purchased the property in 1998 and plans to develop the site as a regional park. While public access to Blandair is limited during restoration, occasional heritage programs are held there. The farm was also the site of the 2003 International Preservation Trade Conference.

Bollman Truss Bridge

The Bollman Truss Bridge is the only known remaining example of the revolutionary all-iron truss system patented by Baltimore engineer Wendell Bollman in the mid-19th century. Constructed in 1869, the bridge was moved to its current site in 1888 and was in use until 1915. Designated a National Historic Landmark in 2000, it is now utilized as a pedestrian bridge connecting Historic Savage Mill with the Mill Trail, a walk linking old mill sites along the Patuxent River.

In use as a school until the early 1950s, the building was re-purchased by the county in 1995 and restored with the assistance of public and private funding. The building now houses a genealogical resource center and a museum chronicling the history of African Americans in Howard County. Changing exhibits and seminars highlight the contributions by people of color to the history of the region. Tours are offered Saturday and Sunday at 3 PM, April through October. Private and group tours are available year-round, weather permitting.

Pfeiffer's Corner Schoolhouse

Originally constructed about 1883, the Pfeiffer's Corner Schoolhouse is one of the very few remaining one-room schools in Howard County. Restoration is now complete. Children were educated within its walls for over 50 years until it was converted into a residence in the 1940s. In 2003, it was moved to Rockburn Branch Park where it illustrates the changes over a 100-year time span of our schools, serves as a historic exhibit and provides space for demonstration classes, interpretive tours and small meetings.

General Information

Program information and camp sites located in schools provided in this guide are tentative. Consult www.howardcountymd.gov/rap for the most up-to-date info.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 5.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they are noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants are required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff are not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds are issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants are contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- verification of qualifying income level (2013 or 2014 tax return required) or
- proof of assistance from the Department of Social Services.

Funds are limited, and a deposit of 25% of the program fee is required at least one month prior to start date of program when registering with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by signing up on the registration form. For more information visit www.howardcountymd.gov or call 410-313-4683.

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as to not inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the camp starts will be given a full refund. Refunds requested within two weeks of the camp starting date will be charged a 20% administrative fee. Additional fees may be assessed to recover costs (shirts, supplies, equipment, etc.) associated with the program. There are no refunds given for missed camp days. Refund policies for licensed child care and therapeutic camps are on page 16 and 60.

Inclement Weather & Program Status Information

Inclement weather numbers are listed on page 72. Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes are canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.

- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs are canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7 AM, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7 AM, programs in schools in progress may be completed but those later in the day are canceled.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation & Parks programs. Specific rules may be added for individual programs and needs.

- No food or beverages in unauthorized areas; glass containers are prohibited.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. **To assure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.**
